

**Application No.: 10/576,263**  
**Filing Date: November 9, 2006**

## **REMARKS**

In response to the Restriction Requirement mailed on July 11, 2011 requiring an election between the species of fluid cleansing, Applicant elects the species directed to two-phase cleansing without traverse and without prejudice to the species directed to single-phase cleansing. Accordingly, Claim 7 has been withdrawn from consideration. Further, Applicant has amended Claims 1-10. In addition, Applicant presents new Claims 13-23. No new matter has been added. Applicant submits that all of the amended and new claims are readable either on the generic claims or on the elected species. Claim 11 has been canceled without prejudice or disclaimer.

### No Disclaimers or Disavowals

Although the present communication may include alterations to the application or claims, or characterizations of claim scope or referenced art, Applicant is not conceding in this application that previously pending claims are not patentable over the cited references. Rather, any alterations or characterizations are being made to facilitate expeditious prosecution of this application. Applicant reserves the right to pursue at a later date any previously pending or other broader or narrower claims that capture any subject matter supported by the present disclosure, including subject matter found to be specifically disclaimed herein or by any prior prosecution. Accordingly, reviewers of this or any parent, child or related prosecution history shall not reasonably infer that Applicant has made any disclaimers or disavowals of any subject matter supported by the present application.

### Applications of Assignee

Applicant wishes to draw the Examiner's attention to the following applications of the present application's assignee.
